

Mutual Shareholder Services, LLC helps local students in career choices.

Brecksville, OH

Career EXPO on February 5, 2011. The EXPO reached out to more than 300 area high school students and their parents. Mutual Shareholder Services, LLC presented “Your Future is Math” and what career opportunities are available in the math field.

“We truly feel honored to participate in such a worthwhile endeavor to inform students of career choices”, said Gregory Getts, President of Mutual Shareholder Services, LLC.

The STEM Career EXPO gives students and their parent’s insight and information through displayed products and about day-to-day responsibilities, career opportunities in their field of choice and education required. Students were invited to try hands-on Participated in The STEM (Science, Technology, Engineering, Math) activities and math games designed by employees of MSS.
